

## Dovre 360CB

Cast iron has many advantages – durability, better heat retention and longevity, as well as the ability to be crafted into a huge variety of shapes and textures, giving aesthetic beauty and immediate appeal whether your interior style is traditional or contemporary.

Whatever your choice - wood, multi-fuel, gas or electric – your Dovre stove or fireplace will be beautifully reliable and built to the uncompromising standards you would expect from our Scandinavian heritage.

Wider than the 350CB, and with additional heating capacity, this superb stove also features Dovre's very latest clean burn and air wash technology. So you will enjoy an impressive view of the flames - even more so with the 3 sided version - as well as all the comforts of a real fire.
