

## 800 & 1000 Hex Freestanding Units

This bold design captures traditional values in its simple lines.

The large exposed area enhances its overall heating capacity. Ideal for that dead corner in your lounge.

### The Popular Choice

Best of all it is also one of the easiest fireplaces to install.

A competent handyman can complete a Hex installation in a matter of hours

### Grate Options:

- Basket Grate and Pan
- Log Burning Pan
- or Gas Grate
